

If I'm Gonna Die Here

Kevin Devine

If I'm gonna die here
Gotta come up with a plan for what
You should do with me
I know it's easy to be lonely

If I'm gonna die here
Gotta come up with a plan for what
You should do with me
I know it's easy to be lonely
When you're down on your luck
Everybody's down on their luck
Down on your luck
Everybody's been beaten up
Down on your luck

Yeah, we've suffered enough
