

## Lullaby for a Snow - Faced Girl

Kevin Devine

Sleep peacefully  
Like the way you look this morning  
With faith in your eyes  
And me in your hands  
A whispered promise in your heart  
Lullaby for a snow-faced girl  
Is what I'll sing  
Watching you, the whole time  
It's three-o-five on monday morning  
Or is it night?  
I don't know  
Is it night?  
I don't know  
But we'll be fine  
We'll be fine  
We'll be fine  
We'll be fine  
We'll be fine
