

Don't Rush

Kevin Garrett

We've been there
Not much longer
I don't understand
And I don't want to yet
We've been scared
But I won't fight it
I'm underprepared
And uninvited

Now I think we're SOL, SOL
Everything you say is wrong
I can't tell, I can't
And now we got it so bad, you're so bad
But I won't heal and when I finally get gone
I won't feel, I won't

Ooh, don't hurry, don't rush
Tell me can you prove you'll hurt me as much
I know exactly what you want
All it only takes is one
Ooh can you give me enough?

Ooh, ooh, ooh

I'm a disease
And they can't cure it
Please don't scrape your knees
When you fall for it
You're too weak
And if I gave you
Every piece of me
You couldn't take it

Now I think we're SOL, SOL
Everything you say is wrong
I can't tell, I can't
And now we got it so bad, you're so bad
But I won't heal and when I finally get gone
I won't feel, I won't

Ooh, don't hurry, don't rush
Tell me can you prove you'll hurt me as much
I know exactly what you want
All it only takes is one
Ooh can you give me enough?
Ooh, ooh, ooh
Ooh, don't hurry, don't rush
Tell me can you prove you'll hurt me as much yeah
I know exactly what you want
All it only takes is one
Ooh can you give me enough?

Ooh can you give me enough?
Ooh can you give me enough?
