What the fuck! Hello?! What up nig? What up nigga? Shit, chillin'. Shit I said, I'm just cooling brah, I'm jus cooling But look, I'm bout to get it in right fast out to get it in right fast, Nigga I love you. Lemme do this I'mma call you later Alright Nigga. Alright I love you boy Love you too nigga. Gladiators on deck Drug users don't drink sprite And when I do it's not pink sprite, alot on lean, it's purple Trust issues, dont trust really No two point conversion Won't run it after i touch down My punter kicking its defense Where was you when I was slumped over Gums hurting from a old bullet, in front of the toilet hunched over Puking all of my insides, stab wounds from a old friend Well at that time we were close friends, they said I killed him in cold bloo We wrestled for the gun but the gun went off He up'd the pistol looked him dead in his eyes I've been ready to die so nigga do it Gates ride, I really do it I'm serious too nigga, really do it Turned his head, closed his eyes, aimed the tool, started shooting, I didn't die, my life a movie 4:30 am never say win, it's five in the morning and your children are some w here on the corner Six a.m water boiling think I'm addicted to the strong aroma Erin really my best friend and I was loving her best friend You know bright brittany With the long hair You know lil sista She stole a jag to come an get me I was buying dope In and out the system Brandy fucking my nigga Ray At the same time He fuckin cold sweatin He the track coach And a asshole Know that didn't have shit to do with this I was just stating the facts though Jessica round me, talking sexually bout me She bend over in front me, from the back while I'm pounding Now it's over Bitch get up and get out I mostly likely forgot to mention but we was in my trap house

Just brainstorming, in the game for me

These thoughts and the ideas
No regrets for the shit I did
That also mean for the niggas i killed

4:30 am never say win, It's five in the morning and your children are some where on the corner Six a.m water boiling think I'm addicted to the strong aroma
