

Big Steppa

Kevin Gates

(Come on)
(DMac, pop your shit, DMac, pop your shit, yeah)
Bitch, oh my God, bitch (Big stepper, oh my God, bitch)
He looks like a big stepper (Hello? Shit)
Big ol' stepper (Pressha 'round this bitch)

Big stepper (Big stepper)
Big stepper (Big stepper)
Big stepper
I'm pressha 'round this bitch
Big stepper (Big stepper)
Big stepper (Big stepper)
Big stepper
I turn around with that foreign love

She got me steppin' on campus
I'm fly as a bitch, I could fuck a professor (Damn)
She teaching me Spanish (Señora)
Doing bachata, teaching me dancing
I was already romantic (Yeah)
I was just a lil' rough around the edges (Lil' rough)
Richie Cunningham, okay, I "ayy", Arthur Fonzarelli
Y mi nuevo Porsche blanco, Forgiatos y Pirellis
Vroom, skrrt off in a Turbo S, lil' Cartier, I'm flexin'
She went to throwing her hip in a circle
I went to throwing that dick in her cervix
Bending over, doing a stretch routine
She doing that shit on purpose

Big stepper (Big stepper)
Big stepper (Big stepper, big steppa)
Big stepper
I'm pressha 'round this bitch
Big stepper (Big stepper)
Big stepper (Big stepper, big steppa)
Big stepper
I turn around with that foreign love

She say I'm a big stepper, we workin' on my form
Saying the vibe be super lit 'round me, opposite of boring (Gates)
My body on fleek, that mean it unique
I give her that meat, I put her to sleep
Fitness trainer, a big gangster
Bad lil' bitch participatin'
Breathe in, then release
I need both hands on your knees
Come on, arch your back and toot it up
Left hand grippin' your obliques
I just made a vegan protein shake while the camera focus on me (Mmm-hmm)
I might post it up on the OnlyFans, you can get a glimpse for a fee

Big stepper (Big stepper)
Big stepper (Big stepper)
Big stepper
I'm pressha 'round this bitch
Big stepper (Big stepper)
Big stepper (Big stepper)

Big stepper
I turn around with that foreign love

Big stepper (Big stepper)
Big stepper (Big stepper)
I turn around with that foreign love
Big stepper (Big stepper)
Big stepper
I turn around with that foreign love
