What you trying to be this time (I'm tired)  
I'm speaking from the heart I speak for me this time  
Having pity disagreements up and grieving  
Trouble sleeping, delusion of thinking  
Wanna try man is tired of being  
Unappreciated and weak and his self-esteem  
Can't be vulnerable with nobody they view it as a weakness (They do)  
Manipulation tactic mad they come and get repeated (Damn)  
Broke me to my knees inside it made me feel depleted  
Tears falling while I'm seated  
At my daughter birthday party, I was contemplating leaving  
Looking at my son like this will be the last time he going to see me  
Suicidal thinking  
Heart so heavy in my chest that it get difficult when breathing  
Sacrifice at all to see you smile but you don't see it

With great power ways come with great responsibility  
A gangster and a gentleman got many men  
They won't let me a penny but a kill for me  
High percentage shots I pass the rock and they gone kill for me  
The utter man slaughter I get that order they going to kill for me

Man, man, big brother when I was standing over that bitch made the [?]
