

Healing

Kevin Gates

You know, we got fly shit to do man
We got Corvettes and shit to drive man, this-, we coupe season, you heard me
Ooh, leave that in there, start me over
This is immortality, I ain't got no rival

Step inside this vocal booth releasing all my pain
Things I deal with on the daily drive a normal person insane
I couldn't relate, I gave my love and in exchange
Got shitted on and that's on the daily (On the daily)
Any progression is a testament to your elevation
Mistakes make us great I'm proud of you, I think you doing amazing (Ooh)
We healing now (Healing now), we healing (Healing now, I think you doing amazing)

Manifestation, ask how I'm vibrating, grateful
Custom merch on tables (Ooh)
Grand opening Alumni Hookah Lounge, you can call, make reservations (What's happening?)
Coffee shops, busy parking lots with many different locations (Allahu akbar)
Emotions dislocated, woman I love, feelings relocated
Arousal fluid, vaginal dryness she checked out guess she replaced (Why that?)
)
Developed a new bond, mentally moved on, then why we playing? (Why?)
Everything I do wrong, you can have who you want, that's what you saying (Uh)
)
My momma say my name hold weight I know my worth ain't no replacement (Yes, Lord)
Finally learn to love myself (Finally learned to love myself)
Momma never raised the B, I kept it playa, never chasing I'm replacing (Deep down inside it hurt sometime, yes Lord)
Momma never raised the B, I kept it playa, never chasing I'm replacing

Step inside this vocal booth releasing all my pain (Higher love)
Things I deal with on the daily drive a normal person insane
I couldn't relate, I gave my love and in exchange
Got shitted on and that's on the daily (We did)
Any progression is a testament to your elevation
Mistakes make us great I'm proud of you I think you doing amazing (Big eagle)
)
We healing now (Healing now, yes Lord), we healing (Healing now, I think you doing amazing)

Won't say no name, she think I'm sexy, super rich and famous
Vanish mode communication, keeping it real through fake pages
Compliments, showing appreciation, I hear what you say
Nothing external ever had value don't need outside validation (I don't)
Light'll blind you, just stay grinding, don't let nothing change you (Don't let nothing)
Light'll blind you, just stay grinding, don't let nothing change you
You like no one else, be your authentic self, we achieving greatness
The one you probably think your soulmate could be your biggest hater
Doing yoga, attracting my twin flame through meditation
When Allah send my new wife we'll pray together, I'ma keep us sacred (I'ma keep us sacred, I'ma keep us sacred)
I swear to God like, realest shit I ever wrote (When Allah send my new wife we'll pray together, I'ma keep us sacred)

Step inside this vocal booth releasing all my pain (Higher love)
Things I deal with on the daily drive a normal person insane
I couldn't relate, I gave my love and in exchange
Got shitted on and that's on the daily (On the daily)
Any progression is a testament to your elevation
Mistakes make us great I'm proud of you I think you doing amazing
We healing now (Healing now, yes Lord), we healing (Healing now, I think you
doing amazing)
