Yung Lan on the track
What up, lovebug?
You my little lovebug, you hear me?
You know I love when you be gettin' mad at me and I just kiss you in your mouth, you heard?
Eat your pussy
I whip my dick out and just
Put this dick in your face, you heard?
I'm gangster, I'm thuggin'

I'm hittin' that ass from the back, lovebug
Say this dick just turned around, and it's a love drug
I'm stickin' my tongue all in her ass, don't budge
You been doin' a lot of squirming and hollering, baby, now shut the fuck up
I'm hittin' that ass from the back, lovebug
(Woah, woah, woah, woah, woah, woah)
I'm hittin' that ass from the back, lovebug
(Woah, woah, woah, woah, woah, woah)

Pressure points when I press up against you, uh
Bend your joints, I'ma kiss your bootycheeks and smack it once
I'm on point
Pull your hair, then stick my tongue all in your ass
I'm on soft, hold your left cheek open
Then you spread, can't go nowhere
Put your other hand behind my head, don't let me go nowhere
Just got that pussy, bae, I miss that pussy on my way over there
I'm cut like that, your dude ain't cut like that, they tell 'em go somewhere
We on that Yucatán, went through some bands, inhaling ocean air
Baby girl, you special
I love being in your presence
You're a high power freak and when you're in the sheets you get rid of all discretion
If you ain't slutty, we ain't thuggin' (You heard?)
You suck my nigga, come make a movie with
You ain't never been afraid to do a dick

I'm hittin' that ass from the back, lovebug
Say this dick just turned around, and it's a love drug
I'm stickin' my tongue all in her ass, don't budge
You been doin' a lot of squirming and hollering, baby, now shut the fuck up
I'm hittin' that ass from the back, lovebug
(Woah, woah, woah, woah, woah, woah)
I'm hittin' that ass from the back, lovebug
(Woah, woah, woah, woah, woah, woah)

My grill be glistening, mind blowing
She suckin' that dick while that iron on me
She put her vagina on top my mouth
On my hairline and ride for me
I'm makin' her squirt, she piss in my face
I'm grippin' her thighs, she grind for me
I spit in her mouth, she mix it with hers
Then spit it back up on the tip (Ooh)
She wiggle her ass while arching her back
I'm stickin' it right in her kidneys (Ooh)
I'm fuckin' her fast, I'm fuckin' her slow

I hope she don't get in her feelings (Ooh)
No hair in her crack, I go in her ass
She lookin' back at it, she tell me to thug
She throw it back at me, her booty, I'm grabbin'
My dick go to jabbin', I think I'm in love

I'm hittin' that ass from the back, lovebug
Say this dick just turned around, and it's a love drug
I'm stickin' my tongue all in her ass, don't budge

I'm hittin' that ass from the back, lovebug
