

# No Love

Kevin Gates

What a hell of a feelin', I'm livin' large  
I'm a hell of a nigga, I'm still in charge  
I can get you from here or behind the bars  
Love me a bitch who gon' play her part

Fell out of love  
I ain't got no love for you niggas  
Fell out of love  
I ain't got no love for you niggas

Break down Swishers with my thumb  
At big booty bitches throwin' ones  
Do not give a f\*ck where niggas from  
You not the only one who got a gun  
Nigga grew some nuts and now he clutch  
Back against the wall while in the clutch  
Jugged up, nigga gotta cut  
When it's time for action why you stuck?  
I survived bitch, I know how to dive  
I know how to die, when there's homicide  
I could suicide diving out the plane  
I will not reside ridin' for no lame  
Niggas want a feature, they gon' holler Gates  
Niggas want protection, they gon' say my name  
Niggas want some fame, stand on side of Gates  
I can see the snakes, nigga you too late  
I can feel the hate, they gon' never say  
Everything I gave, never gave away  
Did it out my heart, have a lovely day  
Money any way, f\*ck who in the way

[?] just got a DM from me  
You and Dreka ought to have a threesome for me  
I won't tell nobody, I'ma keep it silent  
Dickin' down your partner, never spoke about it

What a hell of a feelin', I'm livin' large  
I'm a hell of a nigga, I'm still in charge  
I can get you from here or behind the bars

Got exposed now you on your own, don't know how to deal with it  
Know it's cold when you on your own, wonder how you live with it  
Sold your soul, that's how it goes nigga, I'ma die a real nigga
