Push It

Kevin Gates

Niggas be talking like this shit easy or something, you heard me? (They do)
Nah, nigga, I make this shit look easy, you heard me? (I do)
See, sometimes people think they can be you better than you can be you
Every time they tear you down, I'ma build you the f*ck back up, nigga

Took a lot of losses, had to bounce back
She got ass, love it when it bounce back
Came back strong, had to bounce back
Applying pressure, watch a nigga bounce back
Huh, huh, push it
I ball in his face and he think that I'm pushing
Like what we gon' talk about? Ain't shit to talk about
I pull the cards on these niggas, I call 'em out
Huh, huh, push it, yeah
Huh, huh, push it
I'm in his face and he think that I'm pushing
Major mistake if you thinkin' I'm p*ssy, yeah
Huh, huh, push it
Huh, huh, push it
I'm in his face and he think that I'm pushing
Major mistake if you thinkin' I'm p*ssy, yeah

252 on the digi', I'm still in the kitchen
I'm cookin' a four and a half
Pyrex to yola, I add a lil' soda
It bubble, I double to five hundred grams
My junkie a tester, say, "How may I help you?"
I blessed him, I guess he just need a lil' blast
Not a good looker, but she a good hooker
And I'm 'bout to turn me some trash into cash
Water just gushed out her mouth and her p*ssy
She need some more cushion, went bought her some ass
Secret compartment, Toyota Corolla
I'm hopin' the load don't get caught on the slab
Nothing impossible, had a few obstacles
Right back to clocking like I never left
My windows is tinted
My mouth and my watch go to hitting while grippin' the wheel in my 'Vette

I'm in two lanes, whip is insane, I had to take off the brain
I got some change, trap with two names, on the Blackberry doin' my thing
I been pushing them things
Pushing and pushing and pushing and pushing and pushing
I been doing my thing
Pushing and pushing and pushing and pushing and pushing and pushing (Yeah)

Took a lot of losses, had to bounce back
She got ass, love it when it bounce back
Came back strong, had to bounce back
Applying pressure, watch a nigga bounce back

Huh, huh, push it
I ball in his face and he think that I'm pushing
Like what we gon' talk about? Ain't shit to talk about
I pull the cards on these niggas, I call 'em out
Huh, huh, push it, yeah
Huh, huh, push it

I'm in his face and he think that I'm pushing
Major mistake if you thinkin' I'm p*ssy, yeah
Huh, huh, push it
Huh, huh, push it
I'm in his face and he think that I'm pushing
Major mistake if you thinkin' I'm p*ssy, yeah

I got my shirt off, dropping the work off
On Carolina controlling the spot
12 in the section, harassing pedestrians
Catching a sale, they patrolling, it's hot
If I get arrested, my bail could be set at whatever
Go right back and open up shop
Emit The Jeweler come sit in my section
It look like Lil' Kevin wrist flooded with rocks
I cut on the faucet, I'm really retarded
I bought a lil' water, not spillin' a drop
You gotta be cautious, I'm clutching
You cross me, this pump put a permanent scar in your top
Bought a new Frenchie, she got a big head like Rihanna
It's cute, I'm not takin' a shot
Designer my closet, pick up a deposit
On Michigan Ave when I chill in the Chi

I'm in two lanes, whip is insane, I had to take off the brain
I got some change, trap with two names, on the Blackberry doin' my thing
I been pushing them things
Pushing and pushing and pushing and pushing and pushing
I been doing my thing
Pushing and pushing and pushing and pushing and pushing and pushing (Yeah)

Took a lot of losses, had to bounce back
She got ass, love it when it bounce back
Came back strong, had to bounce back
Applying pressure, watch a nigga bounce back

Major mistake if you thinkin' I'm p*ssy, yeah
Huh, huh, push it

Major mistake if you thinkin' I'm p*ssy, yeah
