

Rich Off

Kevin Gates

With the shit, I took the day off (You a big dawg)
Just to spend some of this money, I'm a big dawg
(D.A. got that dope)

In this bitch, I'm goin' dumb and I got rich off heroin
Rich off, rich off heroin, I got rich off heroin
In the kitchen, at attention, broke a brick down to crumbs
Watch how big dawg be slums, I'm a big dawg, big dumb

I'm a real street nigga, I got rich off cocaine
I'm on GSR Ave, got 'em bitch off that lane
I put a clique on Skysail, that bitch hit hard, it bang
Do it like a Sky-Dwell, bust it down, supply sale

In this bitch, I'm goin' dumb and I got rich off heroin
Rich off, rich off heron, I got rich off heroin
In the kitchen, at attention, broke a brick down to crumbs
Watch how big dawg be slums, I'm a big dawg, big dumb

(Hol' up... okay, I'm back focused)

Poured a four, I'm pourin' again
When I get bored, you know what it is (Hey)
Big booty freak, I put her to sleep, she snorin' again
Check the Camry, water my tint, pop it with the safety pin
Sandwich bag an extra gram up off the scale and weigh it then

In this bitch, I'm goin' dumb and I got rich off heroin
Rich off, rich off heroin, I got rich off heroin
In the kitchen, at attention, broke a brick down to crumbs
Watch how big dawg be slums, I'm a big dawg, big dumb
