Send That Load

Kevin Gates

Come through, let me love on all your body right now
I need you right now (Section 8 just straight cooked this motherfucker up)
I need it right now, baby (I ain't never know a love like this)
I ain’t never knew no love like this
Cartel Bo

Now we share a mutual friend (Mutual friend)
My big sister from Mayagüez, she used to look after the kids
Fell in love first day we met, from Heaven it must've been sent (Yeah)
The look in my eyes'll tell her no lies, she knowin’ I'm still with the shits
Into supplyin', but I keep it quiet, she knowin' I'm still in the mix (Still in the mix)
I been on the grind, I got a new line, I'm thinkin' of goin' legit (Goin’ legit)
She takin’ a lick and then whippin', that iron, she in there holdin’ the clips (Boom-boom, boom-boom)
A lot of the shit that I used to be tryin', she had me goin' against (Haha)
We into fitness, a new way of livin' and we ’bout to go in the gym (Go in the gym)
I got her excited and she go to smilin' and we 'bout to go on a trip
And I cannot wait for to get her in private, she already know what it is (Know what it is)
I'ma massage her and give her a shower, takin' control of her wrists
Lick her erotic, lil' grip on her body and then go to throw on the dick (Ooh)
The face she makin' when lookin' at gangsta, already know what she did (Ooh, ooh)
I think it's sexy when she get aggressive, she like to be choked when she kiss (Mwah)
She lay on her side when I'm givin' her blocka, it's 'bout to go in her ribs (Go in her ribs)
And when I stroke in slow motion, she let me know that it's real (She let me know that it's real)
She let me know that it's real (She let me know that it's real)

This time we'll make more love (She let me know that it's real)
You just beautiful for no reason (For no reason)
This night was made for us (Huh)

Now I'm puttin' dick on her spine (Yeah)
I'm pullin' her hair while I hit from the back (Yeah), I'm in there takin' my time (Ooh-ooh, ooh-ooh, ooh-ooh)
And all of the angels, they would agree that you was meant to be mine (Meant to be mine)
I feel stupid even explainin' this to somebody 'cause it's not physical, it's spiritual
Now I pay attention to signs (Ooh)
Knowin' that we got soul ties and this was more than a vibe (More than a vibe)
I can agree that most times you, I was hopin' to find (Hopin' to find)
Dealin' with low vibrations takin' over my mind (Takin' over my mind)
Cut off my hoes to save my soul, call, ignore, decline (Hello?)
You just leave me alone (Leave me alone)
I'm about to lay with my wife though
She love when I rub on her feet (Ooh)
Bite her lil' booty, she tooted, I spread her lil' cheeks and I lick in betw

een (Yeah)
A lot of you listenin' right now might not know what I mean (Might not know what I mean)
I'm tryna take all of my tongue and I'm stickin' it dead in her hole
She squirt in my face when I'm grippin' her waist, I'm knowin' I'm touchin' her soul
No yoga posin' when she bendin' over, but she in there touchin' her toes (To uchin' her toes)
She call me Cartel Bo and I'm 'bout to send her that load (Send her that loa d)
Cartel Bo and I'm 'bout to send her that load

And this night was made for us (I'm 'bout to send her that load)
She call me Cartel Bo and I'm 'bout to send her that load
This time we'll make more love

I say I want your body, I want your body
I really want your body (I need it right now)
I want you
Come through, let me love on all your body right now
I need it right now
