

Walls Talking

Kevin Gates

Say mane
Sometimes it's painful to relive the past
But sometimes you gotta relive the past in order to heal from it
I just told Richie we rich
I'm him

I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
Prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)

I was young when my mama had me
Think I ran away from home 'bout the age of fifteen, juvenile detention
Talked about behind my back by my family members
H-hurtful feeling bein' the black sheep every family visit
I'll admit it, bein' young, I made some bad decisions
Heart too big, I guess my loyalty got used against me
Learned to focus on myself, now I got tunnel vision
Kicked in my ass when I was down and went through hell to get back
Been to the group homes, I've been on lockdown and I've been upstate
Lived in a few homes, holdin' the block down, movin' this weight
Never spoke on this, they say that I murdered my best friend
It was just business, it wasn't personal, you know how the world is

I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
Prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
I'm a prisoner in my own mind

I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
Get 'em, Gates

I'm 'bout to clear my heart
Stand on the business and ain't ever fold
I got some uncles who killers (For real)
Who baggin' someone who ain't play by the code (Yeah)
My favorite rapper my cousin (Yeah)
I looked up to him ever since we was kids (For real)
Hope he know that I love him
Guess all good things must come to an end
I know some industry niggas
And they never lived the way I lived

Sayin' I'm anti-social (What?)
I can't make you feel the way I feel (Uh-huh)
Head up high, got great ideas
'Cause I got blackballed and they scared of me
I'll die for you if I care for you
I'ma ride for you, never change up, love

I'm a great friend, I'm just not a friend
And I'ma die for you if I care for you
I'ma ride for you, never change up, love
And I'll admit it, bein' young, I made some bad decisions
Heart too big, that's when my loyalty got used against me

I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
Prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
I'm a prisoner in my own mind
I feel like these walls talkin' to me
I feel like these walls talkin' to me (In my own mind)
