

# We Try

Kevin Gates

And we laugh, and we cry (Ooh), and we try (Yeah), and we try (Ooh, yeah)  
And we laugh, or we cry (Ooh), or we try 'til we die (Ooh, ooh)  
Shit, bae, we been through the bullshit like thousands of times (Yeah, yeah,  
times)  
But we laugh, or we cry, or we try 'til we die (Ooh, ooh)

Girl, I'll put you on (Yeah)  
Don't gotta be alone (Yeah)  
Love my pheromones  
Other niggas sleepin' on you (Yeah)  
They just on melatonin  
Yeah, biggest vibe in the room  
I know you feel it right (Yeah)  
Ice on you, freezin' cold  
Treat you like cereal (Oh)  
After I lick the bowl  
We hit Louis Vuitton (Oh, oh)  
You go pick out what you want  
Kiss your feet, long tongue (Oh)  
In between your toes  
Heart been vulnerable, pain inside my soul  
Tried to let it go  
Now I've been holdin' on to things that you will never know, yeah  
Bae, I'm a gangster, ain't no speakin' on it (Ooh, yeah, oh)

And we laugh, and we cry, and we try, and we try (Ooh)  
And we laugh, or we cry, or we try 'til we die (Ooh, yeah)  
Shit, bae, we been through the bullshit like thousands of times (Yeah, oh, y  
eah)  
But we laugh, or we cry, or we try 'til we die

I cry, I cry  
I cry, I cry  
I cry  
Oh, oh, yeah, yeah  
Uh

Bae, you a centerfold, you got a heart of gold  
Oh, you been scarred, baby, you just like B. Simone  
You walk in any room, your presence fill the room (I know, I know)  
With me when I was broke, we ate on paper plates  
Now we on dinner dates  
Oh my God, Kevin, I didn't know you were this way, you're a fuckin' ten  
You know I'm goofy, baby  
Took you to Medellin, we walk 'round in the trenches  
Asked you who your daddy is and you responded (Oh)  
Thinkin' we had it all figured out, but we didn't  
Projectin' opinions and doubt, but we never listen (We never listen, no, no,  
no, no, no, no, no, no, no)

And we laugh, and we cry, and we try, and we try (Oh, oh)  
And we laugh, or we cry (Ooh), or, we try 'til we die (Ooh)  
Shit, bae, we been through the bullshit like thousands of times (Yeah, oh, t  
imes)  
But we laugh, or we cry, or we try 'til we die (Woah, woah)

Woah, oh, oh, oh (We laugh, we cry, and we try, and we try)

We cry and we cry  
We cry together  
Then we gon' laugh together, baby  
Oh, yeah
