

Would You Mind

Kevin Gates

Pussy good
Soaking wet, she say if I give her dick away she'll be so upset
Argumentative but not with me, it seems I stroke her best
4th quarter pressure tongue kissin while I stroke her breasts
Lick her nipples, spread her pussy lips
Slipping off vicky secret panties rubbin on her clit
Legs open suckin on her clit
Situation in the naked never get enough of this..

Would you mind [4x]
I'll be your soldier I can stroke you in slow motion for a real
ly long time, time, time
After you bend over imma grip your waist and shoulders, kiss an
d hold you for a while, a while [3x]
When your legs around me I get high and I don't wanna come down
Some might say I'm disrespectful, I regret it in not asking wou
ld you mind [4x] if I pull over and I fuck you in the bathroom
stall for a while?
Would you mind [4x] if I pull over and I fuck you in the bathro
om stall for a while, a while?

Dedication, I'm dedicated
Lean with the weed This weak, Heavily sedated
Rhythmic patterns seem to scatter, you my meditation
Ill, the way I feel when you not here, you my medication
T-shirt, clothes seen, addiction got you itching for a heat Dop
e Fien
Clothes on the floor by the door, no joking
I was in the shower, no towels, most steem
Body paint under fluorescent lights, glow in the dark
And love out the tub with the way you bend over and arch
Pussy in my verse, Then reverse, throw it in park
Sexin in the bathroom on a jet, we closer to God

Would you mind [4x]
