

## Before

Kevin McCall

Look at you, look at me, baby  
Look at us, we in love, baby  
Never knew a love like this before  
No, I never had a love like this before

Hey, yeah, whoa-whoa, whoa no, no  
Hey, yeah, whoa-whoa, whoa no, no  
Hey, yeah, whoa-whoa, whoa no, no  
Hey, yeah, whoa-whoa, whoa no, no

Oh-whoa-whoa  
Oh-whoa-whoa

I know I made you mad but that's just how it goes  
[?] now your feelings all exposed  
Let me drop you off while I travel down this road  
Fuck it don't even call me no more

Been through all my exes  
Ran through all my jump poles  
Now I get the message

Look at you, look at me, baby  
Look at us, we in love, baby  
Never knew a love like this before  
No, I never had a love like this before

Hey, yeah, whoa-whoa, whoa no, no  
Hey, yeah, whoa-whoa, whoa no, no  
Hey, yeah, whoa-whoa, whoa no, no  
Hey, yeah, whoa-whoa, whoa no, no
