

Dance For Me

Kevin McCall

Looking for a sexy girl to dance with
Can you be that sexy thing, for me
She said she wanna see the money
Girl show me the money
Take it off, take it off
I know you look better in that birthday suit
You don't need no lingerie no
Just some booze and I'll be knockin that off
We don't need no guides off
I just wanna see you
Drop it low on this love
Girl will you do that
I'm about to spend it all on you tonight
I wanna see you

[Chorus]

Booty in the air, hands on the pole
You're the superstar, I just came to see your show
Shake it in my face and I'ma throw this money
I'm your number one fan for the night
I wanna see you dance for me,
Dance for me, dance for me, dance for me
Shake it in my face and I'ma throw this money
I wanna see you dance

And the way you rotate it, got me gleanin my wallet
Girl you're bad than a motherfucker
I can't take my eyes off you
And baby I can't lie,
I want you with your face down
Ass up in the sky
Legs up I'ma handle that
If it's good baby then I'ma double back

Drop it low on this love
Girl will you do that
Before I throw this money
I wanna see you twerk something

[Chorus]

Booty in the air, hands on the pole
You're the superstar, I just came to see your show
Shake it in my face and I'ma throw this money
I'm your number one fan for the night
I wanna see you dance for me,
Dance for me, dance for me, dance for me
Shake it in my face and I'ma throw these dollars
I wanna see you dance, move, your body, yeah, yeah
Move your body, yeah
Move, move, body, yeah, yeah
Move, body, yeah, yeah
Wind it low

[Chorus]

Booty in the air, hands on the pole
You're the superstar, I just came to see your show
Shake it in my face and I'ma throw this money

I'm your number one fan for the night
I wanna see you dance for me,
Dance for me, dance for me, dance for me
Shake it in my face and I'ma throw this money
I wanna see you dance
Looking for a sexy girl to dance with
Can you be that sexy girl, dance for me.
