

# Touch You

Kevin McCall

I just wanna touch you

Woah... Woah... Yeah  
Baby it's just me and you  
Ain't no guessin', you know what I'm here to do  
You know what I want right now (Tell me what you want right now)  
Well... First I'm bout to lay it down (down down down)  
From that moment on it ain't no playin' round  
Are you ready (I'm ready)  
Fasho (Come and get me)  
Come On (Baby boy you got me soakin' wet)  
I ain't even touch you yet...

Me on you,  
you on me  
I just wanna touch you (touch you baby)  
I just wanna touch you ( yeah)  
Me on you (Me on you)  
You on me (You on me)  
I just wanna touch you  
I just wanna touch you

It's a love song  
Girl I need for you to feel it  
Wanna get your body hot and wet til it's drippin  
Baby you and me should get a room  
Let you feel the boom  
You gon get to screamin'  
(Wooooah) Woooooaaaaah  
(Woooooaaah) Woooooaaaaah  
Getting hotter so I'm coming out the beater  
Sweating like a fever  
It ain't nothing better than

Me on you, (Nooooo)  
you on me  
I just wanna touch you (I just wanna touch you)  
I just wanna touch you (Just wanna touch you baby)  
Me on you (Me on you, all night)  
You on me (You on me)  
I just wanna touch you  
I just wanna touch you

Now I know you're feeling me  
Expressions on your face suggest you like it deep  
I'ma make you beg me for more, more  
(Daddy can I have some more) Hell Yeah  
Now it's time for round 2  
Time for me to do my favorite thing to you  
Can I taste you (Come and taste me)  
I will (Drive me crazy)  
I will (baby boy you got me soakin' wet)  
I ain't finish yet

Me on you, (Me) Oohhh  
You on me, (On me all night)  
I just wanna touch you (I just wanna touch you)

I just wanna touch you (Wooooooo)  
Me on you (Me on you)  
You on me (You on me)  
I just wanna touch you  
I just wanna touch you

Me on you  
You on me  
I just wanna touch you  
I just wanna touch you
