

# It Don't Make Any Difference To Me

Kevin Michael

It don't make any difference to me  
What the world thinks about us baby  
Cause in my heart I will always believe  
That we were ment for each other  
Love aint got no color  
It don't make any difference to me  
What they see

All you gotta do is look at me  
Three generations and my family  
You see  
People treat you different when your inbetween  
He was black and she was white  
You know that most people thought that it wasn't right  
I could still remember what she used to say

It don't make any difference to me  
What the world thinks about us baby  
Cuz in my heart I will always believe  
That we were ment for eachother  
Love aint got no color  
It don't make any difference to me

Everytime I look at you  
Deep in your brown eyes I see  
What your goin through  
They treat you different  
When your inbetween  
I could feel it everyday  
The whispers, the words that they  
Think I don't ever say

Before you let a tear fall  
Remember girl

It don't make any difference to me  
What the world thinks about us baby  
Cuz in my heart I will always believe  
That we were ment for eachother  
Love aing got no color  
It don't make any difference to me  
What they see  
Ohh

Maybe, people might change  
But I really don't think they will  
I know you know it  
And baby, we could run away  
But then we'll be runnnig away from them  
Do you know it, do you know, do you know it  
And baby, I'm telling you now  
Don't you ever look down  
Don't you ever look down again  
Cause remember

It don't make any difference to me  
What the world thinks about us baby

Cuz in my heart I will always believe  
That we were meant for eachother  
Love aing got no color  
It don't make any difference to me (2x)
