

O.I.L.

Kevin Ross

If I had the chance to be your mirror
I'd show you that you're beautiful to me
And a thousand words can never paint the picture
Of a perfect, broken, breathing masterpiece

Know I don't deserve ya
But tell me what I would do without ya
Know you're worth it
Even if I don't know the outcome
Baby, baby, baby
Don't need to press the breaks
I know that we can make it
No matter what it takes

'Cause what's there to believe
If I can't have the one I love
And I won't dare to dream
If I can't see myself waking up
To the one I love
To the one I love, to the one I love
To the one I love
To the one I love, to the one I love

If I had the chance to conquer time
I would cherish every moment that you smile
Even if it was a second of the day
And I make it so it would never go to waste

Know I don't deserve ya
But tell me what I would do without ya
Know you're worth it
Even if I don't know the outcome
Baby, baby, baby
Don't need to press the breaks
I know that we can make it
No matter what it takes

'Cause what's there to believe
If I can't have the one I love
And I won't dare to dream
If I can't see myself waking up
To the one I love
To the one I love, to the one I love
To the one I love
To the one I love, to the one I love
And if one thing's true
What's a world without you?
Yeah, it feels so number
Without your love

Anything you want, I got it
You deserve it all
Waiting more than gold
Girl, you're more valuable than art
All the fortune I could have
Won't mean a thing, no
If I can't have what I treasure

Standing right there next to me so

'Cause what's there to believe

If I can't have the one I love

And I won't dare to dream

If I can't see myself waking up

To the one I love

To the one I love, to the one I love

To the one I love

To the one I love, to the one I love

And if one thing's true

What's a world without you?

Yeah, it feels so number

Without your love
