

# Prototype

Kevin Ross

I hope that you're the one  
If not, you are the prototype  
We'll tiptoe to the sun  
And do things I know you like

I think I'm in love again  
I think I'm in love again

Today must be my lucky day  
Baby, you are the prototype  
Let's do something outta the ordinary  
Like catch a matinee  
Baby, you are the prototype

I think I'm in love again  
You are the prototype  
I think I'm in love again  
Let's go, let's go to the movies, girl  
Over and over and over and over I fall in love, hey  
You are the prototype  
I think I'm in love again, again  
I thank I wanna say stank you, smelly much  
For picking me up and bringing me back to this world  
You are the prototype  
I think I'm in love  
I think I'm in love  
Stank you, smelly much
