

# If You Love Somebody

Kevin Sharp

Mount Everest, I'll climb it  
No problem, just say when  
Mississippi, I'll swim it  
Down to the delta and back again

If you love somebody  
It ain't that hard  
If you love somebody  
To go that far  
Well, there ain't no limit to the things you do  
If you love somebody  
The way that I do you

Get a ladder, a cheap guitar  
And serenade you under the stars  
Scream and shout, make a scene  
Tell the world that your the girl of my dreams

If you love somebody  
That's what you do  
If you love somebody  
And your love is true  
You don't think twice about being a fool  
If you love somebody  
The way that I do you

Send me down the river with my soul on fire  
The thought of you makes the weight of this  
World seem a little bit lighter  
If you love somebody, if you love somebody

Ooh, send me down the river with my soul on fire  
The thought of you makes the weight of this  
World seem a little bit lighter  
Taking me higher, higher

If you love somebody  
You do anything  
If you love somebody  
You jump up and sing  
Well, there ain't no limit to the things you do  
If you love somebody  
The way that I do you

If you love somebody  
That's what you do  
If you love somebody  
And your love is true  
Well, there ain't no limit to the things you do  
If you love somebody  
The way that I do you  
The way that I do you, girl
