

All Me

Kevo Munev

(Red Dead, I'm so fuckin' bumpin', bruh)

And I truly believe that it's all me (It's all me)
Sometimes I cry blood, my eyes bleed (My eyes bleed)
I love Jamaiah, she my niece, but treat her like my seed (My seed)
Come from them bricks, shit made me solid like concrete (Like concrete)

I got this bad bitch, finna work her out like Planet Fitness (Like Planet Fitness)

Never meant to make you cry 'cause that wasn't my intention
I'm in Atlanta, but my heart still stuck in Memphis
Can't do nothin' but think 'bout Lil Lump, all I got is memories
And I truly believe that it's all me (It's all me)
Sometimes I feel like if I was there, it would have went differently
Older I get, the more I understand
Sometimes a nigga gotta go with God's plan (God's plan)

And I truly believe it's all me (It's all me)
I truly believe it's all me (It's all me)
And I truly believe that it's all me (It's all me)
I truly believe that it's all me (It's all me)
I truly believe that it's all me (It's all me)
I truly believe that it's all me (It's all me)
I truly believe that it's all me (It's all me)
I truly believe that it's all me

I got the lil' hoes that love all the above
Lot of niggas don't like me 'cause a lot of niggas ain't real as fuck
I don't give a fuck, I still ran it up
And I truly believe that it's all me
I can't find my loved one 'cause my heart deep
Sometimes I feel like I'm overlooked
But then I say, "One day, they'll see"
I'd rather stand ten with zero dollars
Before I have a hundred mill' and livin' on my knees
Swear, I used to be broke, nigga had nada
But I came a long way, I feel like Peewee (Peewee)
She know that I'm a young nigga from Third Ward
I told that bitch, "I don't wanna lay up, I shoot all threes"
And I truly believe one day, they'll see (One day, they'll see)
You know she don't really give a fuck when she quick to leave (Quick to leave)
Fuck the bail, was twenty-five when I was sixteen (When I was sixteen)
Felt like I was the man, she blew my self-esteem
I don't get tired like 2K when you cut off fatigue (Cut off fatigue)
Bow, bow, bow, bow, bow, I'll unload the machine (I'll unload the machine)

And I truly believe that it's all me (It's all me)
Sometimes I cry blood, my eyes bleed (My eyes bleed)
I love Jamaiah, she my niece, but treat her like my seed (Like my seed)
Come from them bricks, shit made me solid like concrete (Like concrete)
And I truly believe that it's all me (It's all me)
I truly believe that it's all me
And I truly believe that it's all me
Sometimes I cry blood, my eyes bleed (My eyes bleed)
I truly believe that it's all me
Sometimes I cry blood, my eyes bleed (My eyes bleed)

I truly believe that it's all me
Sometimes I cry blood and my eyes bleed
