Word around town I been popping like a soda  
Weight 120, but this Glock hold 30  
Used to ask for rides, down bad I was struggling (Gang)  
Now a nigga gotta whole lotta (Whole lotta)  
They kicked me outta school, I was a problem child (Ha)  
They see me out in public, they want pictures now  
Photo-op, bowling pin, knock 'em down

Yeah, I gotta chick, and she sucked first night  
Hell nah, mane she ain't even know me (Hell nah, she ain't even know me)  
Niggas wanna see me stop  
Wanna see me at the bottom but I'ma keep going  
Nigga don't feel my pain  
I was stuck in the rain and it kept on pouring  
Everybody wanna see me fall  
Mama told me to ball so I'ma keep scoring

Hell nah, bitch, you don't know me  
(I know you)  
Hell nah, bitch, you don't know me, huh  
(I know you)  
Hell nah, bitch, you don't know me, huh  
(I know you)

Hell nah, bitch, you don't know me, oh-oh

Might not just keep on smoking (On God)

Running through the cash and these foreign broads
