

Happiness From Within

Kevo Muney

Oh

See you gotta be happy from within

You can't be happy on the inside, or heartbroken on the inside, ya know?

You ain't gotta be sad, baby

Nah, nah, nah, nah, nah, baby

Huh

You ain't gotta be sad, baby

Put all ya feelings in the blunt or in the glass, baby

I fuck her on the first day, you can say we was fast pacin'

I love women I can't deny but I'm cash chasin'

She call me G, next thing I know, I seen glass breakin'

But the glass the only thing done broke, I know her heart breakin'

Tears in her eyes, I know she care but try her best to fake it

Bruh told me fuckin' with this bitch is a big risk, I'ma still take it

Bitch told me I won't never be shit, still did it, I still made it

How I was never understood?

Where that young nigga love go?

How they never understood?

How that young nigga heart so cold?

Nigga, hate on me, I'ma fanfare

[?] love me like that [?], baby

I'm forever [?] home, I seen these young nigga pair [?]

Then try to come to me and shake up the three, I ain't hand shakin'

I ain't hand shakin', they be like, "That young nigga super crazy"

"He come from the hood, that young nigga ain't go no patience"

"He was at [Pine Hill?], him and [Tuan?] with [?]"

I ain't opened up about it in no conversation, but I miss Taylor

Been a couple years, I had a chance to go make up with Jayla

Uh, I can't judge ya by your past, baby, uh

I been bad lately, uh, keep me in your prayers, baby

Sometimes you turn into a detective, wear your badge, baby, uh

I respect ya, here to protect ya, but don't trust bad baby, uh

Don't trust bad baby, here to protect ya, I respect ya, uh

Like I'm digging for gold, I'm in your soul, you a human treasure

[?] took my chain, I'm [?] every letter, uh

Growin' up, I was a hard head, I ain't wanna hear no lecture, uh

You can't mess with my heart, heart made outta metal, who let him? Uh

Let me dog out the cage, let him out, you can't even not pet him, yeah

You tell a nigga something, he go to the next nigga and tell him

That's why I don't feel 'em

That's why I don't call no nigga my patna

I don't call no nigga my friend or my fella

I don't call no nigga my goon, no nigga my steppa

I'm my own man, I'm my own everything and I'ma stand up on everything

I believe in

God, oh
