

# Just When I Thought

Kevo Munev

Lord, Lord, Lord, Lord, Lord, Lord, Lord  
Yeah

And for you, I'd give it all away (All away, yeah)  
I'd do whatever see brighter days (Brighter days, yeah)  
I thought I had it all made (All made)  
I seen granny in that fuckin' grave

I almost gave up, nigga came up straight out the mud (Mud)  
Me and AP used to five up, buy a ten dollar bud (Bud)  
Hoes talkin' 'bout I'm nonchalant, I ain't never gave no fuck (Fuck)  
For the ones that hated on me, just know it's all love, love, love, love, love, love  
(For the motherfuckers who hated on me and traded on me, it's all love)  
Love, love, love, love  
(For the motherfuckers who hated on me and traded on me, it's all love)  
Whatever you want in life, go get it  
Make shit happen and stand on business (Stand on business)  
Play your role, fuck these hoes, niggas be dyin' for ass and titties (Ass and titties)  
Had the vision, they ain't listen  
They ain't know Lil' Munev was different (Know he was different)  
They ain't know I had seen my blessing, they ain't know Lil' Munev was gifted  
They ain't know how I cook shit up, how I whip shit up, I ain't in no kitchen (I ain't in no kitchen)  
They ain't know how I make it large, I heard 'em all, they play with Brittany (Play with Brittany)  
Couple of my niggas got life sentence, that's why it's fuck the prison (Fuck the prison)  
I can't wait 'til the crackers let 'em out, they gon' be right here with me  
He gon' give it all to the dope game (To the dope game)  
He gon' lose it all to the streets, man (To the streets, man)  
If he don't calm down and just play it cool (Play it cool)  
He don't know them people been watchin' his every move, uh

And for you, I'd give it all away (All away, yeah)  
I'd do whatever see brighter days (Brighter days, yeah)  
I thought I had it all made (All made)  
I seen granny in that fuckin' grave

I almost gave up, I almost gave up (Almost gave up)  
Yeah, almost gave up, I almost gave up (Almost gave up, yeah)

Almost gave up  
Almost gave up
