

# Risk It All

**Kevo Muney**

It's like, you could be knowing a person for ten years (Black Metaphor)

But it might take you those ten years to find out who they really is  
On God (God, God, God, God, God, God)

See, a lot of shit don't really matter to me no more  
Haha, that's why they mad

Nah, I won't come in, I won't react, I won't show give no reply (Reply)

They see I'm poppin', so they pocket watchin', wanna know what I got  
They tryna figure out how much you got, how much you made (How much you made)

Niggas always got they hand out, talking 'bout what I ain't gave (What I ain't gave)

Broke as hell, had to switch my route, had change up my ways  
All them folks better not know where you stayin', better change locations (Change locations)

They don't wanna see a nigga be great, like Tracy McGrady

These lil' bitches got fire, other nigga, but I know I'm her favorite  
I done came through for you, too many times, that's too many favors (Too many favors)

And my body full of drugs, nigga need love 'cause I got too many haters

And for you, and for you, I will, I will

And for you, I'll risk it all, uh (And for you, I'll risk it all)

And for you, I'll risk it all (And for you, I'll risk it all)

And for you, I'll risk it all

And for you, and for you, I will, I will

And for you, I'll risk it all, uh (And for you, I'll risk it all)

And for you, I'll risk it all (And for you, I'll risk it all)

And for you, I'll risk it all, yeah

You needed me, I was right there (Right there)

I needed you, you ain't even care (Care)

And there's the reason you ain't right here

God told me, "Cut them niggas off or they gon' make you fail" (They gon' make you fail)

That bitch know there's only one of me, she gotta share

Never get down on my knees, I stand when I'm saying prayer

Can't go for shit today, I trust a bitch today, it's no one here

I'm coachin' shit, join up these plays even though I'm a player (Go)

I feel like I can make it right, I'm a doctor (On God)

Plenty nights I stole after stole, ain't have no other option (On God)

Niggas try to act like they don't see Lil' Muney, know they watchin' (On God)

I just spent the bag but that was feature money, big deposit

And for you, and for you, I will, I will

And for you, I'll risk it all, uh (And for you, I'll risk it all)

And for you, I'll risk it all (And for you, I'll risk it all)

And for you, I'll risk it all  
And for you, and for you, I will, I will  
And for you, I'll risk it all, uh (And for you, I'll risk it all)  
And for you, I'll risk it all (And for you, I'll risk it all)  
And for you, I'll risk it all, yeah
