

Stay On Point

Kevo Munev

Ayy, I feel like everybody gon' get they chance to talk
(DrvmLord)
But right now, we got shit to say
Yeah, yeah

From a young nigga to a grown man, ball in my hands, I control it
Fuck all them other guys, he ain't one of mine, get in my way, I run him over
I'm on the front line, bitch, it's my time, niggas in the way, move over
If you ain't with me, nigga, you against me, these niggas finished, but I'm
stayin' focused, yeah
Gotta stay on point, can't trust everyone
Don't forget, when I needed you, you ain't come through once
And it can be a drought today, money still gon' get paid
Young nigga from that Tre, I can make it a thousand ways

Hustlin' straight from the block
Didn't work no job, we ain't punch no clock
We clock in early just to go ball
Then I'ma hit the road just for that guap
He play, then we shootin' up that lil'-ass car
We alert, we on point in the car
Out that Tre, I ain't think I would make it this far
I had backends, I ain't get me a dollar
It's a lot of leeches, for sure, they gon' follow
Used to fuck rats, now I'm fuckin' on models
Big Fuck The Opps Crazy, know that's my motto
Reach for my chain, this shit gon' cost you
Twistin' my lingo and act like I lost it
I ain't GD, but my old-head ballin'
It's a money mission, we can meet up later
From the block, the Tre, where the city hate us

From a young nigga to a grown man, ball in my hands, I control it
Fuck all them other guys, he ain't one of mine, get in my way, I run him over
I'm on the front line, bitch, it's my time, niggas in the way, move over
If you ain't with me, nigga, you against me, these niggas finished, but I'm
stayin' focused, yeah
Gotta stay on point, can't trust everyone
Don't forget, when I needed you, you ain't come through once
And it can be a drought today, money still gon' get paid
Young nigga from that Tre, I can make it a thousand ways

I'm clean like a janitor, I lost it all and ran it up
Cool nigga, I don't do too much, I damage her, I handle her
My young nigga do whatever for me, all off the love, I love lil' cuz
My big brother said, "Slow down, you be goin' too fast, what you rushin' for?" Yeah
Na-na-na-na-na, na-na-na-na
Na-na-na-na-na, na-na-na-na
Na-na-na-na-na, na-na-na-na
Na-na-na-na-na, na-na-na-na

From a young nigga to a grown man, ball in my hands, I control it
Fuck all them other guys, he ain't one of mine, get in my way, I run him over
