No Love

Kevon Edmonds

Tears on your pillow, pain in my heart
How could we be broken, broken apart
Let's not be over, let's make it right
Don't take me through this, another sleepless night

'Cause it's killin' me that suddenly I find myself alone
I'll try to love you better baby
Won't you come on, come on back home?

I'm not used to wakin' up and being by myself
I'm not used to coming home from work and no one's there
I'm not used to missin' anyone
I'm not used to getting no love, no love

I'm not used to havin' someone never touchin' me
I'm not used to this I want it how it used to be
I'm not used to missin' anyone
I'm not use to getting no love

We've had our problems but that's not so strange
Baby we can solve them, I'll show you I've changed, yeah
You're all I've wanted baby, you've been there for me
I'm beggin' 'cause I love you baby, I'm beggin' on my knees

And it's killin' me that suddenly girl I find myself alone
I know I love you better baby
Won't you come on back home?

I'm not used to wakin' up and being by myself
I'm not used to coming home from work and no one's there
I'm not used to missin' anyone
I'm not used to getting no love, no no

I'm not used to havin' someone never touchin' me
I'm not used to this I want it how it used to be
I'm not used to missin' anyone
I'm not use to getting no love

I'd rather die, than live my life
I can't accept the thought of you
Being loved by someone, someone else
'Cause there's no love like your love
Oh I promise I'll be true to you
For the rest, for the rest of my life

I'm not used to wakin' up and being by myself
I'm not used to coming home from work and no one's there
I'm not used to missin' anyone
I'm not used to getting no, gettin' no love, baby

I'm not used to havin' someone never touchin' me
I'm not used to this I want it how it used to be
I'm not used to missin' anyone
I'm not use to getting no love

I'm not used to wakin' up and being by myself
I'm not used to coming home from work and no one's there

Yes and anyone gettin' no love
I'm not used to havin' someone never touchin' me

Yes and anyone gettin' no love
I'm not used to havin' someone never touchin' me
