Rubber bands, these ain't no wallets, ooh

Chillin' with some thotties  
But these bitches look like barbies  
I just threw a slumber party  
All these hoes just give me noggin, uh  
I just bought two choppers  
2 K's, Kendall Kylie  
If you play then I'm poppin'  
Diamonds sparklin' I'm so cocky, yeah yeah
