

Let's Go

Key Glock

Here we go again
(Get the bag, King Wonka)

Money talks nigga, what the fuck is you saying?
You can ask his bitch and ask his bitch who the man
Bro and them get to stepping like parades about them bands
My little bitch Tinkerbell cause I'm fly as Peter Pan
Let's go get some money, fuck they playing
Hopped up out that Cyber truck, my wrist cost a Lamb
Tired of buying cars till my driveway jam
The neighbors still tryna figure out who I am (Glizock)
Who I be (who I be)
Pillow-talkin' to these hoes, that shit weak (that shit weak)
They say money talk, put diamonds in my teeth (in my teeth)
I be Louis'd down with Jordans on my feet (two-threes)
Niggas masked up in your yard like trick or treat (treat)
You better play your cards right, you better not ever reach (reach)
For this chain over here, I'll put you underneath ('neath)
Yeah, I rep that five, but I'll put you six feet
Feet, nigga

Let's go, let's go, let's go
Let's go, let's go, let's go (yeah)
Let's go, let's go, let's go (yeah)
Let's go, let's go, let's go

I picked your bitch up, she had too much fun
I think she got too drunk
My motor in her trunk
Her panties out the roof,
That Henny got her loose
I think she lost 1 shoe, her head game the truth
I told her fuck on my ex bitch, you got the juice
I pulled up at her friend house and kicked her out the coupe
Gave that bitch the boot, yeah she blew my flute
Untamed gorilla, bitch I was born in the zoo

Dolph, why you so rude?
Who the fuck is you, bitch? I been this way since school
Spent a whole milli on one sentence, ocean blues
Dolph, why you so up?
Nigga, cause I pay my dues

Let's go, let's go, let's go
Let's go, let's go, let's go (yeah)
Let's go, let's go, let's go (yeah)
Let's go, let's go, let's go
