

I get high go to Mars, Backwoods take me far
Bitch I party hard, I live like a rockstar
I hit the cup and nod, yeah, I'm up here wit' God
I'm flyin' in my drop, this a spaceship not a car
I jus' spent a 30 on a brand new Martian charm
I jus' put a 30 in my brand new Russian gun
I jus' smoked 'bout 30 blunts, it's startin' to hurt my lungs
I blow like a bomb, you niggas ain't nun but bums

Yeah, I need my bread every crumb, if you playin' then ya done
Blood shed, red rum, if I say it then it's done
If I'm shootin', bitch, I'm scorin'
Killin' shit, pull the cord
Take yo' bitch and make a porn, 3 tone chain, candy corn
Yup, in my white tee, that lil nigga icey
Come and get yo' wifey, this bitch tryna bite me
These niggas don't like me, I'm juiced up like Hi-C
You lil boys need high seats, we serve if you want beef
I'm ridin' in some' fast and you better know it's foreign
I had to leave my last bitch 'cause that ho was just too boring
I walk up in the building, goddamn it started snowing
I fell asleep sippin', fuck it I'ma keep pouring

I get high go to Mars, Backwoods take me far
Bitch I party hard, I live like a rockstar
I hit the cup and nod, yeah, I'm up here wit' God
I'm flyin' in my drop, this a spaceship not a car
I jus' spent a 30 on a brand new Martian charm
I jus' put a 30 in my brand new Russian gun
I jus' smoked 'bout 30 blunts, it's startin' to hurt my lungs
I blow like a bomb, you niggas ain't nun but bums

Smokin' on Gelato wit' yo' ho
And my pocket on swole, bankrolls can't fold
All this goddamn gold on me, young Pharoh
When I walk through the door watch the temperature get low
Splash on a bitch, call me Glock Guerrero
I'm the nigga wit' the sticks, yeah, I'm commando
Playin' 'round wit' them keys, bitch, I got pianos
And I'm covered in double Gs, yeah, I dropped them bands ho
No, I don't mean to brag, dropped a bag on my swag
They said I'm livin' too fast, I'm just enjoying this cash
Yeah, I jus' did the dash in them new paper tags'
Smokin' Backwoods back-to-back, bitch, don't miss this jet
