

Nintendo

Key Glock

(Let the band play)

Glizzock

Go

Ayy

These bitches playing games like Nintendo

I can't trust a thing but that man in the mirror

I'm scared to fall in love, baby girl, I just can't go

These diamonds on me dancing, I see why she trying to tango

But I can't trust these bitches, switch my hoes more than I change clothes

My pinky ring just hittin', isn't it lookin' like a rainbow?

These niggas talking down up on the kid, I'ma up that banger

Yeah, real recognize real, grandma said, "Boy, don't ever fuck with strangers"

On gang, bruh

Yep, I keep that flame tucked

Yeah, these rappers 'til they get caught then they to singers

Yeah, all these bitches thots 'til they get caught then turn to angels

(Yeah, all these bitches thots 'til they get caught then turn to angels, the fuck?)

Yeah, I just left off the block, they like, "Glock stay dangerous"

Yep, I got money in the vault and money on my cranium

Yep, money all I think about, don't give a fuck what they think of me

(Yep, money all I think about, don't give a fuck what they think of me, ayy, yeah)

These bitches playing games like Nintendo

I can't trust a thing but that man in the mirror

I'm scared to fall in love, baby girl, I just can't go

These diamonds on me dancing, I see why she trying to tango

But I can't trust these bitches, switch my hoes more than I change clothes

My pinky ring just hittin', isn't it lookin' like a rainbow?

These niggas talking down up on the kid, I'ma up that banger

Yeah, real recognize real, grandma said, "Boy, don't ever fuck with strangers"

On gang, bruh

These niggas thinking they fucking with the kid, they can hang it up

Yep, I've been flexing harder, I see all my opps been ganging up

Them niggas nothing but bitches, tell them pussies pull they panties up

Call me Mister Glock or Master Key, I get big bucks, no games boy

I get high, I'm on Saturn, boy, quit sneak dissing and at your boy

Diamonds fighting like Mike and Roy, I'll slam your bitch like Randy Orton

I be drippin on them boys, Gucci, Louis, Michael Jordans

I'll never beef about a whore, I told you that bitch wasn't yours (Ha-ha)

These bitches playing games like Nintendo (Ha-ha)

I can't trust a thing but that man in the mirror (Yeah)

I'm scared to fall in love, baby girl, I just can't go (Uh)

These diamonds on me dancing, I see why she trying to tango

But I can't trust these bitches, switch my hoes more than I change clothes

My pinky ring just hittin', isn't it lookin' like a rainbow?

These niggas talking down up on the kid, I'ma up that banger

Yeah, real recognize real, grandma said, "Boy, don't ever fuck with strangers"

On gang, bruh

Yeah
