Nono

Key Glock

My neck and wrist froze, shining like a motherfucking disco
Slidin' in the coupe, no paparazzi, don't do photos
Your ho jump from dick to dick just like a pogo
No bro, you can't hang with gang, that's a no-no
My neck and wrist froze, shining like a motherfucking disco
Slidin' in the coupe, no paparazzi, don't do photos

Killing these niggas, lord forgive me, father God
