

Retarded

Key Glock

Taliband shit
Paper route business
Yeah

The f*ck

You know I'm money hungry
So it ain't no way I'm starvin
Franklin's, Grant's, and Jackson's on the floor
Look like a carpet
Rockin Valentino, camoflauge
Look like a sergeant
Got these bitches bitin
Diamonds fightin
Like a moshpit
Walk up in the party
Bitch started doin cartwheels
Kush straight to my noggin
Sip lean until I'm noddin
Get a hoe a roxy
Now watch her go retarded
Walk up in the party
Then watch it go retarded

G-L-O-C-K
Aye, it's goin down like Joc
Put beams on his face, chicken pox
Switch up the car, autobots
Damn, damn
My diamonds, they wet like a dam
She give me head first, like a ram
My fan blew me just like a fan
Countin up I broke a thumb
Gelato, it's hurtin my lungs
I stunt on these hoes, just for fun
I might wear a coat in the summer
I'm tired of ballin, Tim Duncan
I walk in and f*ck up the function
Get money
Keep that on my conscious
Glock, Jesse Owens, I run shit
Get it
Get it (racks)
I got it (stacks)
I got it (bricks)
I go to the lot with the profits
Trappin and robbin my hobby
Lil nigga hotter than lava
Lil nigga hot as Sahara
Pull up on you and yo partner
We on yo head like a bobble

You know I'm money hungry
So it ain't no way I'm starvin
Franklin's, Grant's, and Jackson's on the floor
Look like a carpet
Rockin Valentino, camoflauge

Look like a sergeant
Got these bitches bitin
