

She Ready

Key Glock

P shit only, hmm
Just the way you want me to
But I'm ready
Yeah, yeah, yeah

I just read her text it said, "I'm ready." (Yeah, yeah, yeah)
She blowin' up my phone, talkin' 'bout I'm ready (Yeah, yeah)
Like, when you goin' home? Because I'm all in love
Yeah, yeah
(Ooh, I'm ready)

Yeah, she ready spaghetti, she say she ready
She heard I'm three legged (I'm ready)
Diamonds like Captain Crunch Berries
She do what I tell her, yeah, that's my little fairy (Ready)
Just poured some medicine inside of my beverage
I walk in the mall buy Celine and things (All in love)
Little brodie still masked up like it's Halloween
Jumped off the porch turned to a money machine (Yeah)

Ready for whatever, ready, let's get active
Glizock, he one handsome little devil
Just got a new bezel, cutthroat for whoever
Smoother than Hugh Hefner, you broke, should do better
Bitch think I'm trickin', I just told her two letters
Bro think I'm trippin', 4K on a new sweater
Glock be the name and I'm hotter than two kettles
You get in my way, I'ma get you and whoever (Yeah)

Yes, yes, I gotta get mine, I don't know 'bout yourself
Got money on my mind, money all on the shelf
Just run up a bag, put some pep in your step (Yeah)
Every time what's-her-name see me, she melt
Yeah, this shit forever, she love me to death
Told this bad bitch I could do bad by myself
Me, myself, and I, I don't need no help
(All in love)

(Glizock)

Fuck you thought?
Just the way you want me to (Yeah, yeah, yeah, yeah)
