

The Grinch

Key Glock

South Memphis finest

I've been running wild since a jit
Grandma never raised a bitch
Jumped off the porch, picked up a stick
Fourteen, turned into the Grinch
You must ain't heard, I'll take your shit
Na-na, Glizzock took your bitch
Pussy ass nigga better play with his clit
I don't know what you thought, but that ain't this

I've been running wild since a jit
Grandma never raised a bitch
Jumped off the porch, picked up a stick
Fourteen, turned into the Grinch
You must ain't heard, I'll take your shit
Na-na, Glizzock took your bitch
Pussy ass nigga better play with his clit
I don't know what you thought, but that ain't this

This ain't that
I don't wear skinnies 'cause the big ass racks
Heard you talkin' to me, get your bitch ass back
Lil' bro ride around with a big ass Mac
Gettin' rich ain't hard, just get it and stack
Gettin' too much money, might buy me a ranch
When I'm hustlin', I don't show no slack
This money got me turnt to the max

Turn down for what?
That wire just came in today, it's up
If you know, you know I don't give no fucks
I don't squash no beef and I don't make up
Yeah, bitch, I'm him, what I'ma hate for?
Me, myself, and I, they hatin' on us
It's me and Glizzock, she waitin' on us

I've been running wild since a jit
Grandma never raised a bitch
Jumped off the porch, picked up a stick
Fourteen, turned into the Grinch
You must ain't heard, I'll take your shit
Na-na, Glizzock took your bitch
Pussy ass nigga better play with his clit
I don't know what you thought, but that ain't this

I've been running wild since a jit
Grandma never raised a bitch
Jumped off the porch, picked up a stick
Fourteen, turned into the Grinch
You must ain't heard, I'll take your shit
Na-na, Glizzock took your bitch
Pussy ass nigga better play with his clit
I don't know what you thought, but that ain't this, yeah

Yeah, Cutthroat La Familia
