Bad love, oh no
Hey!

Don't know why
I'm so attracted to you
You're Rated-R
Thrilling but mysterious Circles
Feeling strange but I'm addicted to you
The overwhelming romance
I call you light and darkness

Grown bad monster
Deeper I experience you
You become sweeter and more bitter like poison
Joy and despair are both mine
Even if I run away
There's no paradise
Now I know it never finishes

Don't need that kind of love, called love
(Run away further It's bad Love)
I'm sick of this bad love
Don't need that kind of love, called love
(Curse more and harder to bad love)
There isn't a piece of you in me
A love so bad

Cut it out
I can't control it at all
It drives me crazy
Déjà Vu is slowly waking up
The unruly killer
In the rational logic
I see my heart getting twisted

I'm thinking 'bout your love now
Filled the glass with lies
Since it was ecstatic
I paid for my sins
It's better to completely forget
Then to hate you

Don't need that kind of love, called love
(Run away further It's bad Love)
I'm sick of this bad love
Don't need that kind of love, called love
(Curse more and harder to bad love)

There isn't a piece of you in me
Nothing but bad love

I'm not even thinking of you
That's what I wanna say to you
Beautiful but cruel
You're my tragedy
It's raging inside me
I open my eyes again
In my dream
Just like how the fire spreads

Bad love, It's bad love
I paid for this bad love, It's bad love
No no
Nothing but bad love
Don't need that kind of love, called love
(Run away further It's bad love)
I'm sick of this
Don't need your bad love Oh oh

Don't need that kind of love, called love
(Curse more and harder to bad love)
There isn't a piece of you in me
Nothing but bad love
Ah- Oh no
