When I've fallen deeper
The night becomes unusually short
One thought fills me up
I float around like a balloon
Nowadays I feel like I'll burst
Because I keep thinking about you
(Because I think about you suddenly)
My day is spent floating on air

I don't hate this kind of feeling
The night that wants to lose its way until it's at a far away place
Because a world called 'you' just keeps continuing
Oh I fall for you

My heart, forever yours
Forever yours
Forever yours
My heart, forever yours
Forever yours
Forever yours

My entire day and night
Take them completely

When you grab on tight, don't let go
Forever yours (oh, forever)
Forever yours (oh, forever)
Forever yours
My heart, forever yours

A slightly dazed look with your chin propped in your hands' palms
You look like you're indifferent to everything
The good and bad thing about it for sure
Is that I like your color

(Dye it more)
Our engine are different from others
When places unvisited
Wait for us, we pick up the speed

Everyday I meet a new you
I think I'd be happy even if I collapsed while wandering around
Since a universe like you pours over
Oh I can't believe it

My heart, forever yours
Forever yours
Forever yours
My heart, forever yours
Forever yours
Forever yours

I can't stop
Inside of you
A light similar to you
Fills me up
Seems like I should have gone even farther
I fall for you
Right now, the curtain of your room,
Leave it open without saying anything

Yeah yeah yeah
Leave it open to me
Always
Yeah yeah yeah

My heart, forever yours
Forever yours
Forever yours
My heart, forever yours
Forever yours
Forever yours

My entire day and night
Take them all
When you grab on tight, don't let go
Forever yours (oh, forever)
Forever yours (oh, forever)
Forever yours
My heart, forever yours
