I got some bitches outside that'll ride for me
No lie, two times, they'll die for me
Without a question, they'll pull a homicide for me
Bust out your windows and every fuckin' tire for me
So if you want that, we about that
Pay the bill, never tell, we'll bounce back
And we'll still pull up outside where your house at
Up on your rat ass bitch, straight with a mouse trap
Don't get to talkin' out your neck when you keep texting me
Get that ass in check and have respect for me
I got some down ass chicks straight to the left of me
Don't appreciate the way you been neglecting me

So click, don't ever get it twisted
You do your dirt, you better do it from a distance
Them loco thots on general assistance
Fuck them other bitches, I ride for my bitches

Come with me (Oh, ay)
Are you riding with me?
I'm pulling up right now
Are you down to ride?
La-la-la-la, la, la, la, la
Come with me (Hey, are you riding?)
Are you riding with me?
I'm pulling up right now (Right now)
Are you down to ride? (Right now)
La-la-la-la, la, la, la, la
