

## Drunk In Love

KeyWest

I've been drinkin', I've been drinkin'  
I get filthy when that liquor get into me  
I've been thinkin', I've been thinkin'  
Why can't I keep my fingers off it?  
Baby, I want you, now-now  
Why can't I keep my fingers off you?  
Baby, I want you, now-now  
Cigars on ice, cigars on ice  
Feelin' like an animal with these cameras all in my grill  
Flashin' lights, flashin' lights  
You got me faded, faded, faded  
Baby, I want you, now-now  
Can't keep your eyes off my fatty  
Daddy, I want you, now-now  
Drunk in love, I want you

We be all night, love, love  
We be all night, love, love  
We be all night, love, love  
We be all night, love, love

We be all night, and everything all right  
No complaints from my body  
Flashin' lights, flashin' lights  
You got me faded, faded, faded  
Baby, I want you, now-now  
Can't keep your eyes off my fatty  
Daddy, I want you, now-now  
Drunk in love, I want you

We be all night, love, love  
We be all night, love, love  
We be all night, love, love  
We be all night, love, love

We be all night, love, love  
We be all night, love, love
