

Everything Has Changed

KeyWest

All I knew this morning when I woke
Is I know something now, know something now I didn't before
And all I've seen since 18 hours ago is green eyes and freckles and your smile
In the back of my mind making me feel like

I just want to know you better
Know you better, know you better now
I just want to know you better
Know you better, know you better now
I just want to know you better
Know you better, know you better now
I just want to know you, know you, know you

'Cause all I know is we said hello
And your eyes look like coming home
All I know is a simple name, everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed

And all my walls stood tall painted blue
And I'll take them down
Take them down and open up the door for you
And all I feel in my stomach is butterflies
The beautiful kind, making up for lost time
Taking flight, making me feel right

I just want to know you better
Know you better, know you better now
I just want to know you better
Know you better, know you better now
I just want to know you better
Know you better, know you better now
I just want to know you, know you, know you

'Cause all I know is we said hello
And your eyes look like coming home
All I know is a simple name, everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed

Come back and tell me why
I'm feeling like I've missed you all this time
And meet me there tonight
And let me know that it's not all in my mind

I just want to know you better
Know you better, know you better now
I just want to know you, know you, know you

'Cause all I know is we said hello
And your eyes look like coming home
All I know is a simple name, everything has changed
All I know is you held the door
You'll be mine and I'll be yours

All I know since yesterday is everything has changed
