

# How Did We Get Here?

KeyWest

Livin' in the same place  
Except now I'm on my own  
Fighting every impulse  
To pick up my phone

Spendin' most my time these days  
Drinkin' away my tears  
Tearin' pictures off the walls  
Wishin' away the years

Didn't give me no reason  
Left me with no sign  
Nothin' but these feelings  
Nothin' but my time

How did we get here? How did we fall?  
How did something so perfect go wrong?  
How do you let go? How did you cope?  
How did you forget me and move on?

This mornin' I woke up alone  
Strugglin' to breathe  
I've been waitin' for you to come home  
But this time you're gone for real

Didn't give me no reason  
Left me with no sign  
Nothin' but these feelings  
Nothin' but my time

How did we get here? How did we fall?  
How did something so perfect go wrong?  
How do you let go? How did you cope?  
How did you forget me and move on?

I'm missin' you, I'm missin' you  
I'm missin' you, I'm missin' you  
I'm missin' you, I'm missin' you

I feel my heart is beating faster  
I'm gonna run away from you  
And now my head don't feel so heavy  
I wish I knew just what to do

So how did we get here? How did we fall?  
How did something so perfect go wrong?  
How do you let go? How did you cope?  
How did you forget me and move on?

I'm missin' you, I'm missin' you  
I'm missin' you, I'm missin' you  
I'm missin' you, I'm missin' you  
I'm missin' you, I'm missin' you

Livin' in the same place  
Except now I'm on my own
