

# I Will Survive

KeyWest

At first I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights thinking how you did me wrong  
And I grew strong  
And I learned how to get along  
And so you're back  
From outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock, I should have made you leave your key  
If I'd known for just one second you'd be back to bother me

Go on now, go, walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye?  
Do you think I'd crumble?  
Did you think I'd lay down and die?

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll stay alive  
'Cause I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive, hey, hey
