

Man of Chalk

KeyWest

Lucy was her name
She got me into trouble
Her idea of fun
Some people call immoral

Someone call the sheriff
Someone call the law
Lucy shot me down
Now I'm just a man of chalk

She wore a golden crown
Over her diamond heart
She swam naked in the big blue ocean
And kissed me in the dark

So someone call the sheriff
Someone call the law
Lucy shot me down
Now I'm just a man of chalk

Always thought we'd end up in the end
Hoping that you'd come back 'round the bend
But you rubbed your independence in my face
And said good bye my friend

Lucy was her name
The way barnacles she clung
Watching me go out of my sweet mind
Was her idea of fun

So someone call the sheriff
Someone call the law
Lucy shot me down
Now I'm just a man of chalk

I'm just a man of chalk
I'm just a crying fool
I'm just a man of chalk
I can't get over you

I'm just a man of chalk
I'm just a crying fool
I'm just a man of chalk
I can't get over you

I'm just a man of chalk
I'm just a crying fool
I'm just a man of chalk
I can't get over you
