

## Road To Damnation

KeyWest

Beautiful face, soft coated skin  
Lord give me love for I have sinned  
It didn't matter what her name is  
As long as her patterns came out  
I have been climbing up these walls  
Every mistake I ever made is because  
I decide that I have been blessed  
But now I must confess to this

On the road to damnation  
You need to reach temptations

Lying awake all through the night  
Praying in darkness, hoping for life  
Seem to have lost my way  
When judgment comes, what will God say?  
I have been seen with the devil dancing  
I sold my soul for a real message  
I'm standing at the pearly gates  
Oh, they turned me away

On the road to damnation  
You need to reach temptations

Thou shalt not covet thy neighbour's wife  
But I want to  
Thou shalt not commit adultery  
But I did  
How did she feel?  
She loved it  
How did she feel?  
She loved it  
And what did she say?  
She said, "I love you"  
And how did she say it?  
She said, "Oh, oh, oh, oh, oh, oh"

On the road to damnation  
You need to reach temptations  
On the road to damnation  
You need to reach temptations  
Temptations  
You need to reach temptations
