

# Runaway Train

KeyWest

You're a wrecking ball  
You're a cannonball  
Indestructible  
Like the Chinese wall  
You're a tidal wave  
Washing over me  
You just devastate  
Whoever you meet  
So I stand and wait  
At the boarding gate  
Got my ticket paid  
Oh, my train's delayed  
'Cause I need more time  
To change my mind  
My [?] now  
My train just arrived

The more that I fight it  
The more you just tighten your grip on me

Oh, I've been down this road before  
So I know where it ends  
You'll convince me to love you  
Then hurt me again  
A passenger on a burning train  
Oh, I'm doomed if I stay  
So I'm getting off before  
This runaway train pulls away

I know you love the chase  
'Cause you love the thrill  
You see me that's played  
So you sink to kill  
And soon as I'm dead  
And you've been fed  
You just meet me there  
With my heart to bare

The more that I struggle  
The more you just tuggle my weak heartstrings

Oh, I've been down this road before  
So I know where it ends  
You'll convince me to love you  
Then hurt me again  
A passenger on a burning train  
Oh, I'm doomed if I stay  
So I'm getting off before  
This runaway train pulls away

You'll help me play the clown for the crowd in your cirque du soleil  
And I know you let me down, over and over again  
I can't deny it, I'm wasting my time and commitment on you  
It ain't surprising 'cause I've been a fool

The more that I fight it  
The more you just tighten your grip on me

Oh, I've been down this road before  
So I know where it ends  
You'll convince me to love you  
Then hurt me again  
A passenger on a burning train  
Oh, I'm doomed if I stay  
So I'm getting off before  
This runaway train pulls away  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, I'm getting off before it pulls away  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, I'm getting off before this runaway train pulls away
