

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so

It's been a long time since you fell in love
You ain't coming out your shell, you ain't really been yourself
Tell me, what must I do? (Do tell, my love)
'Cause luckily I'm good at reading
I wouldn't bug him, but he won't stop cheesin'
And we can dance all day around it
If you frontin', I'll be bouncing
If you want it, scream it, shout it, babe
Before I leave you dry

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so

Let me check my chest, my breath right quick
I ain't ever seen it in a dress like this
I ain't ever even been impressed like this
Like it, love it, need it, bad
Take it, own it, steal it, fast
Girl you look class

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused; you want it? Say so
