

Shut Up And Drive

KeyWest

I've been lookin' for a driver who is qualified
So if you think that you're the one, step into my ride
I'm a fine-tuned supersonic speed machine
Got a sunroof top and a gangsta lean

So if you feel it, let me know, know, know
Come on now, what you waitin' for, for, for?
My engine's ready to explode, oh, oh
So start me up and watch me go

Get you where you wanna go, if you know what I mean
Got a ride that's smoother than a limousine
Can you handle the curves? Can you run all the lights?
If you can, baby girl, then we can go all night
It's 0 to 60 in three point five
Baby, you got the keys
Now shut up and drive
Shut up and drive

I've got class like a '57 Cadillac
Got overdrive with a whole lot of boom in the back
You look like you can handle what's under my hood
You keep saying that you will, girl, I wish you would

So if you feel it, let me know, know, know
Come on now, what you waitin' for, for, for?
My engine's ready to explode, oh, oh
So start me up and watch me go

Get you where you wanna go, if you know what I mean
Got a ride that's smoother than a limousine
Can you handle the curves? Can you run all the lights?
If you can, baby girl, we can go all night
It's 0 to 60 in three point five
Baby, you got the keys
Now shut up and drive
Shut up and drive
