

This Is Heartbreak

KeyWest

Today the world doesn't feel quite the same
Today I opened up my eyes but I didn't wake
Maybe I was dreaming and I never heard you say
You don't love me anymore
Me and you, were yesterday, ooh
This must be heartbreak, oh
This must be heartbreak

When will I be okay?
When will I be myself?
When will I move on and fall in love with someone else?
I'm hurting over and over again, I can't take it
Someone tell me when my heart will stop breaking

I ask the same old questions everyday
Where did I go wrong? Was there something I could say?
Did you ever love me? Or was I just a passing phase?
Seems like I was making plans while you made your great escape, ooh
This must be heartbreak, oh
This must be heartbreak

When will I be okay?
When will I be myself?
When will I move on and fall in love with someone else?
I'm hurting over and over again, I can't take it
Someone tell me when my heart will stop breaking
Someone tell me when my heart will stop breaking

This is heartbreak
This is heartbreak
This is heartbreak
Ooh-oh
This is heartbreak
This is heartbreak
This is heartbreak
Mm-mm

Today the world doesn't feel quite the same
Today I opened up my eyes but I didn't wake ooh

When will I be okay?
When will I be myself?
When will I move on and fall in love with someone else?
I'm hurting over and over again, I can't take it
Someone tell me when my heart will stop breaking
Someone tell me when my heart will stop breaking
